BIOGRAPHY:

Born and raised in Detroit, Michigan, Dave began training as a Mixed Martial Artist at age 20. He moved to Atlanta, Georgia in 2005 and in early 2010 began training MMA and working as a personal trainer at KnuckleUp Fitness. Dave trains Brazilian Jiu Jitsu, Kickboxing/Muay Thai, and competes in many grappling tournaments throughout each year in the Expert and Purple belt divisions.

With a Professional MMA record of 13-13-1, Dave's record is much better than it appears. Fighting several high profile fighters early in his career like: Joe 'Diesel' Riggs, Hector Ramirez, and Jesse Forbes, the losses to these much more experienced fighters have only fueled Dave's desire to succeed. His impressive record reveals only 4 losses in the past 4 years.

Currently on the fast track to 'THE BIG TIME', Dave Vitka y, trains under the esteemed Master Ricardo Murgel (8th Degree Black Belt under Grandmaster Flavio Behring and founder of the Union World Organization) and has lost only once since switching camps. His new team's relationship with the NAAFS and other major promotions has set the stage for Dave's rise to the top.
